

We are grateful to Lehan Drugs for the generous donation from the Daisy Dash!

Safe Passage: November 2017

Events

This November, Safe Passage participated in DeKalb County's Community Resource Fair. We provided information to over 100 community members and brought a carload of food back to shelter residents, courtesy of Northern Illinois Food Bank. On November 28th, we asked our supporters to give back in recognition of Giving Tuesday. In one day alone we raised hundreds of dollars for our organization.

We have a new look!

We are thankful to OC Creative once again! Our new logo now includes purple and teal – illustrating domestic violence and sexual assault awareness.

We have a blog!

Safe Passage created a blog! This space will allow us to provide information on our services and give commentary on national and global issues related to domestic and sexual violence. We also included a safe space for survivors to share and process their stories anonymously. Join the conversation! Follow us at www.safepassagedv.com.

Upcoming Events

"It's a Wonderful Life" Event... 12/10/2017

The Egyptian Theatre is hosting a movie night 2-5PM! Attendees who bring socks to benefit our survivors will receive a free popcorn.

Spotlight

PAIP

Our Partner Abuse Intervention Program has been very active in helping clients understand how to create healthy boundaries and relationships with partners and friends. Clients have been able to use previous experiences to navigate through problems that may arise in new relationships. This month PAIP has served 53 individuals (male and female), 9 males have completed the 26-week program and 8 new clients will join in December.
