Thanks YMCA!

Over the past month, our clients have been taking advantage of a free YMCA membership! The clients have identified this as one of their favorite self care routines and that exercising together is very helpful for their overall sense of self and well-being! Thanks YMCA!

Staff Spotlight

Congrats Jennifer!

Jennifer is a children's counselor in our domestic violence program and has been with Safe Passage for 1.5 years. When asked what she loves about her job, she said, "I like that I am giving my clients a safe place

to express the feelings they are having, whether that is through talking, art or play. I work hard to be someone they can trust because I know how powerful a trusting relationship can be in the healing process."

Fun Facts! Jennifer's family is known for taking in random pets that other people don't want anymore. They currently have a gecko named Salsa and a tarantula named Charlie!
